

The first step is for parents to register online. This helps us to get their information into our system so that they will get future information about camps! If a parent has not previously registered their youth, please encourage them to do so.

REGISTRATION

To register, parents should go to WWW.WESTOHIOCAMPS.ORG. At the top of the page they should click the link that says "**Register.**" This will take them to the registration portal, and once there, they need to sign in, or create a new log-in. They can then register for the event and which location they plan to attend.

Once they have completed this, they will receive a confirmation email. This email provides links to the three (3) supplemental forms that are required and once completed should be returned to the youth leader. The three (3) forms consists of:

- 1) Release of Liability
- 2) Health Form B
- 3) Media Release

PAPERWORK

We are asking that you, as the youth leader, collect original copies of the forms and payment (where applicable) and submit ALL to the camp's office, 32 Wesley Boulevard, Worthington, Ohio 43085. This allows you to know where your students are in the registration process.

PAYMENT

Registration for a student is \$95 sibling discount is \$75, and for an adult leader, \$50. Because many churches choose to sponsor payments for their students, the parent must enter the church discount code (which is specific to your church only). If your church is *not* sponsoring students, please be sure to communicate this information to parents so they will be prepared to make payment when prompted or they will not be able to complete the registration process.

Please feel free to contact me at 614-781-2630 or 1-800-437-0028, ext. 204, and I will be happy to answer any questions. If parents are having any trouble, I will gladly assist. You may also reach me at nevels@wocumc.org.
